

Smart One® Workstations

Keyboard shelf adjusts in height and tilts for optimum comfort.

Smart One® Workstations

- » Smart One® Workstations come in 42" or 72" widths for single or dual users.
- » Smart One® 72 has two independently adjustable keyboard platforms.
- » The platforms adjust from 25" to 37" high and are angle-adjustable as well.
- » The 16" deep monitor platform accommodates larger monitors and a printer.
- » Cable trays and desktop grommets control wires and cabling.
- » Built-in CPU holders feature hook-and-loop straps to hold CPUs securely.
- » Heavy-duty black powder-coated steel frame with HPL over MDF tops.
- » 3" EZ Casters are available separately.
