

Height Adjustable Flat Panel TV Cart

Height Adjustable Flat Panel TV Cart

- » The Height Adjustable Flat Panel TV Cart with Cabinet is your solution if mobility of your flat panel display (up to 32") is required. The twin post design of our bracket provides the ultimate in flexibility and stability, allowing you to achieve the perfect display height. Each post is constructed of heavy .083 wall tube. The posts are 20"H and have built in wire conduits to hide your cables out of sight for a clean look. The height adjustment on each post will allow four separate adjustments in 1" increments.
- » Our two hideaway shelves add further flexibility for a laptop or multimedia projector and are stored under the shelf and out of sight when not in use.
- » Secure your components in the spacious 15"H x 24"W x 18"D locking storage area. The unit includes 4" swivel casters (2 locking) for easy maneuverability.
- » Includes a UL/CSA approved 4-outlet surge-protected electrical assembly with 25' cord and cord winder.

Product Specifications

Product Number:	27530
Overall Dimensions:	46"-62"H x 24"W x 18"D
Weight:	85 lbs
