## WIDE BODY TV CART

### BB44-P4, BB44-E4 & BB44-M4

Wide-Body TV Cart is 44" high. Moves easily on 4" swivel casters, two with locking brakes. Black. Recommended for use with up to 27" diagonal monitors.

### FEATURES

- Wide-body, pyramid design and steel construction lowers the center of gravity for superior stability with the heaviest TV monitors
- 44" height puts monitor at convenient height for all viewers
- Top shelves measure 32"w x 22"d (10 1/2" between shelves)
- Bottom shelf measures 32"w x 27 1/2"d (23" between shelves)
- Recommended for use with up to a 27" diagonal monitor
- All steel construction with a durable black textured powder paint finish
- Optional UL & C-UL listed 2-outlet electrical unit included with the BB44-E4 and UL & C-UL listed 3-outlet electrical unit included with the BB44-M4. Both come with a 20 foot power cord and built-in cord winder.
- Electrical units attach to pre-drilled holes on the top or middle shelf.
- 4" stem casters - two locking
- Grommet hole at rear of shelf for cord management

Ships UPS ready-to-assemble in one (1) carton pack.

## CARTON DIMENSIONS & UPC CODE

BB44-P4 96633 10120 7  
BB44-E4 96633 10124 5  
BB44-M4 96633 10126 9  
Carton Pack: 28-1/2" W x 5-1/2" D x 41" H

## SUGGESTED SPECIFICATIONS

BB44 Wide-Body TV cart has two (2) 18-gauge steel 32" w x 22" d shelves and one (1) 18-gauge 32" w x 27-1/2" d shelf (to be used as the bottom or base). Shelves are press formed with a 1/8" lip bordering the top surface on all four (4) sides. Legs fit flush to the shelves and interlock with mounting brackets for added strength. Each corner has 13-gauge steel mounting brackets with 1/4" square head bolts and hex nuts that tighten to hold leg securely to the shelf. The two (2) 32" w x 22" d shelves have two (2) 3/16" diameter holes centered on both the right side and the left side to accept an optional electrical assembly. Top shelves have a grommet hole at rear for cord management. Table legs are 18-gauge 1" square tubular steel. Each leg is 39-1/2" in length and tapered so the top part fastens to a 32" w x 22" d shelf and the bottom of the leg fastens to a 32" w x 27-1/2" d base shelf. The table stands 44" h from the floor (including the 4" casters). Leg has hard plastic caster insert mounted in the bottom of the tube. Each leg has a hard plastic cap detail inserted into the bottom of the tube. Each model has a powder paint finish. Casters

are mar resistant hard black rubber and measure 4" in diameter. Each caster assembly has ball bearing swivel capabilities and steel construction. Two (2) have locking brakes. Optional electrical assembly is completely enclosed with two (2) or three (3) grounded outlets, 20 ft. 3-wire cord and two (2) 3/16" diameter machine screws with wing nuts for attaching unit to top or middle shelf. Optional electrical assembly is UL listed when attached. BB44 Wide-Body TV cart ships knocked down (KD) in one carton pack and ships via United Parcel Service (UPS).

## ELECTRICAL UNIT SPECIFICATIONS

Optional electrical assembly is completely enclosed with two (2) or three (3) grounded outlets, 20 ft. 3-wire cord and two (2) 3/16" diameter machine screws with wing nuts for attaching unit to top or middle shelf. Optional electrical assembly is UL listed when attached.
