BBILSM52-GM - 9663317941
57-3/4" l x 36-3/4" d x 12" h

SUGGESTED SPECIFICATIONS

BBILSM52-GM Multimedia cart has two (2) 18-gauge steel 38" w x 26" d shelves with 16-gauge stiffener, and one (1) 18-gauge 38" w x 30" d shelf (to be used as the bottom or base of the cart) with four (4) 14-gauge stiffeners (one for each caster). It also has one 2" diameter grommet hole in the rear center of shelf. Middle shelf has (4) four 2" diameter grommet holes located in the center of the shelf, (two in front, two in rear). Shelves are press formed with a 1/8" lip border on the top surface of all four (4) sides. Corners of the shelves open so the sides do not connect. 18-gauge legs of table fit flush with shelves. Each corner has 13-gauge steel mounting brackets with 5/16-18" square head bolts and hex nuts that tighten to hold leg securely to table. The top shelf has slots for the ratcheted Safety Belt (included). There are 3 sets of slots to fit varying size monitors, located 4-7/16", 6-7/16", and 8-7/16" from each side. Top and middle shelves have 20-gauge 38" w x 30" h back panel that connects them for extra support. Cart has one (1) 2" diameter grommet hole located in the lower center of back panel. The 23-1/2" w x 20-3/8" d keyboard slide-out shelf is at sit-down height, 26-1/2" h and pulls out 12" from cart. Mouse pad extender shelf attaches on right side. The slide-out rails for the slide-out shelf is 5/16" diameter rods. The slide-out shelf is connected to an 18-gauge 6" w x 2" d x 14-5/8" h cord management bin, which is located underneath middle shelf. The hole to install UL and C-UL listed 10-outlet electrical unit (included) is located 23-1/2" from right side of middle shelf and 14-1/2" from left side running front to back between grommet holes. Unit has four (4) 5" plate casters, two rigid and two swivel with locking brakes. Each model painted in grey powder coated paint. Ships KD.
