

# BRETFORD BASICS™

## UL LISTED WIDE-BODY CART

### BBUL4435-P5 and BBUL4435-M5

Bretford's open shelf wide-body TV/VCR carts, BBUL4435, has the strength and stability to support heavy AV/Video equipment. Large television monitors of up to 35" diagonal screens are easily supported on the BBUL4435. Its wide-body design provides an oversized base shelf for greater stability especially during transport.

### FEATURES

- UL tip tested for safety for a 35" diagonal TV monitor.
- Wide body design provides superior stability.
- Includes a SBCL - ratcheted safety belt.
- Top two shelves include grommet holes for cord management.
- BBUL4435-M5 includes a UL listed 3-outlet electrical unit with 20' power cord.
- 5" plate casters, two lock and two fixed.
- Sturdy steel construction finished in black powder paint.
- Ships ready to assemble in one carton pack via UPS.

Ships ready-to-assemble in one (1) carton pack.

## CARTON DIMENSIONS & UPC CODE

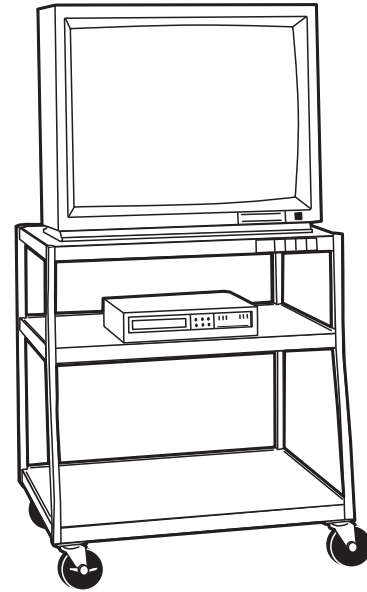

Carton Pack: 40-1/2"l x 37-1/2"w x 7-1/2"d

BBUL4435-P5: 0 96633 17829

BBUL4435-M5: 0 96633 17830

## SUGGESTED SPECIFICATIONS

BBUL4435 Wide-Body TV/VCR Table has two (2) 18-gauge steel 36-1/4"w x 23-3/4"d shelves and one (1) 18-gauge 36-1/4"w x 28-3/4"d shelf (to be used as the bottom or base of the table). Shelves are press formed with a 1/8" lip bordering the top surface on all four (4) sides. Corners of the shelves open so the sides do not connect. Table legs fit flush to the shelves. Each corner has 13-gauge steel mounting brackets with 1/4" square head bolts and hex nuts that tighten to hold leg securely to table. The two (2) 36-1/4"w x 23-3/4"d shelves have two (2) 3/16" diameter holes centered on both the right side and the left side to accept an optional electrical assembly. Top two shelves have grommet hole at rear for cord management. Table legs are 18-gauge 1" square tubular steel. Each leg is 39 1/2" in length and angled so the top part fastens to a 36-1/4"w x 23-3/4"d shelf and the

bottom of the leg fastens to a 6-1/4"w x 28-3/4"d base shelf. The table stands 44"h from the floor (including the 5" casters). Leg has hard plastic caster insert mounted in the bottom of the tube. Each leg has a hard plastic cap detail inserted into the bottom of the tube. Each model has a powder paint finish. Casters are mar resistant hard black rubber and measure 5" in diameter. Each cart has two (2) 5" locking casters and two (2) rigid casters. Optional electrical assembly is completely enclosed with three (3) grounded outlets, 20 ft. 3-wire cord and two (2) 3/16" diameter machine screws with wing nuts for attaching unit to table. Optional electrical assembly is UL listed when attached.
