

BRETFORD BASICS™

MOBILE COMPUTER WORKSTATION WITH CPU TOWER HOLDER

EC7000-GM

Bretford's EC7000-GM is designed to be height adjustable to accommodate almost any user. The large worksurface provides enough room for a computer and work space. The CPU Tower Holder is adjustable. A built-in electrical unit allows the computer to be easily powered. Workstation rolls easily on casters.

FEATURES

- Adjustable CPU holder mounts on the left or right side.
- Worksurface adjusts from 23" - 27"h.
- Spacious cord management bin organizes all power and data wires.
- Surge-Protected 3-outlet electrical assembly with on/off switch.
- Desktop provides six square feet of workspace.
- All-steel construction with die pressed shelves.
- 4" Quiet-Glide casters, two are locking.

71 lbs., Freight class 70 UPS

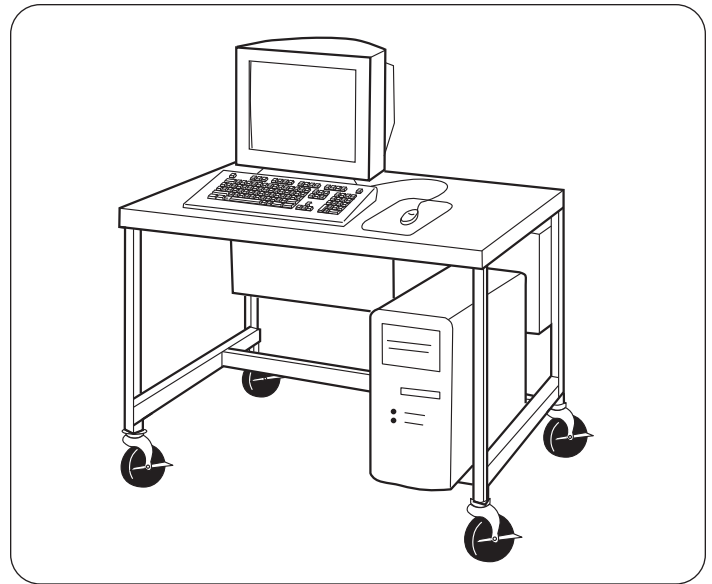

Ships ready to assemble in one (1) carton pack

CARTON DIMENSIONS & UPC CODE

37-1/4" w x 26-1/4" d x 8" h / 71 lbs. / 0 96633 17774

SUGGESTED SPECIFICATIONS

EC7000-GM Mobile Computer Workstation with CPU Tower Holder has one (1) 36" w x 24" d, 18-gauge steel work surface shelf. Corners of the shelf open so the sides of the shelf do not connect. The legs of the Mobile Computer Workstation fit flush to the shelf. Each corner has a 13-gauge steel mounting bracket with 1/4" square head bolts and hex nuts that hold leg securely to table. Legs are 18-gauge, 1" square tubular steel 22-1/4" long. Each leg has a hard plastic caster insert mounted in the bottom of the tube. Microcomputer center has one (1) 18-gauge steel, welded "H" frame base assembly that attaches to the front and rear legs. Has one 18-gauge adjustable CPU holder that mounts to the left or right side of the "H" frame base. The CPU holder adjusts from 6-1/2"-11-1/2". Has one (1) 18-gauge steel cord organizer bin of dimensions 36" w x 10" h x 5" d overall, 6" h for the front panel of the bin and is attached between the rear legs of the table so also serves as a modesty panel. Cord bin has four (4) 5" x 1/4" slots at the top of the back panel and two (2) slots of the same dimensions, one down each side. Has a completely enclosed electrical that has three (3) grounded outlets and two (2) mounting screws 3/16" with wing nuts. Electrical assembly is UL listed when attached to table. Casters are mar-resistant, hard black rubber, 4" in diameter. Each caster assembly has ball bearing swivel capabilities and steel construction. Two (2) have locking brakes. Finished in Grey Mist powder paint. Mobile Computer Workstation ships knocked down (KD).
