

Wireless Cassette Player / Recorder

Model 3432IR (Infrared 34IR headphones sold separately)

1. Built-in electret mic won't get lost or misplaced
2. 3W RMS speaker loud enough for up to 50 people
3. Rugged ABS plastic casing and handle for added durability and is safe for school use
4. 7 total headphone jacks for group learning
5. Wireless headphone sold separately
6. Separate tone and volume controls
7. 3.5mm mic & 2.5mm remote mic inputs
8. 1/4" auxiliary input connects other media players
9. Six infrared diodes with 360 degree coverage, 15' range
 - Permanently attached 3-wire cord with cord wrap
 - Cue & Review for lesson flexibility
 - Permanently attached 6' two-wire cord for safety
 - Runs on AC/DC power for indoor/outdoor uses
 - One year warranty for school use - unlike cassette players purchased from consumer electronics stores whose warranties would be voided if used in schools

The Wireless Cassette Recorder/Player provides cord-free audio transmission to its infrared headphone receivers and can also be used as a traditional wired listening center for up to seven students. It is ideal for language learning, literacy groups, ELL / ELD and library uses.
